New Beginnings

I hope you have had a good Summer and were able to enjoy some of the good weather we had – although at times it was a little hot, even for me. With the start of the academic year, September is traditionally a time of endings and new beginnings and this year is going to be no exception.

We mark the end of our main growing season with the traditional celebration of harvest festival when we give thanks to God for his abundant blessing in the provision of food. I hope we might see you at one of our harvest services. Of course, the exceptional weather we have been experiencing has brought its own challenges for our farming community and we take time to offer our prayers and thanksgiving for all those who work in agriculture. Harvest also marks the beginning of a new planting season as ploughing and drilling takes place ready for the next crop.

But this time of year is also a good time for the Church to begin a fresh course of teaching; and throughout September and October, we will be running an Alpha Course. Alpha is a course that began in 1977 at a Church called Holy Trinity Brompton in London. It is a course that outlines the core principles of the Christian faith. Alpha is open to everyone, regardless of faith or none, who wants to learn more about the fundamentals of Christianity. It is a course that combines teaching, discussion and questioning so that participants can engage with it at the level they are at. Since its inception, millions of people around the world have tried Alpha with the course having been translated into 112 different languages.

Our Alpha Course will be run at Christ Church Mountsorrel beginning at 7pm on Friday 2nd September. Each session includes a meal, so you won't even need to cook for yourself. Why not sign up now using the Eventbrite link on our website: mountsorrelchurch.org/alpha. Even better, why not invite a friend and come together. There's no cost to come but any donations towards the cost of food are welcome.

We learn more together. I hope you will join in with this new beginning.

With every blessing,

Colin Resch

Prayer Ideas

At St Peter's and Christ Church we support and pray for a number of different Christian Charities that work in this country and abroad to improve the lives of others and show them God's love and compassion.

Please find some prayer pointers to help us to pray for global issues and the Charities we support and their work throughout the world:

Compassion:

- Pray for all those facing acute hunger - 276 million people are facing severe food insecurity.
- Pray for girls at risk of child marriage – Pray protection over them and that their rights are recognised.
- Pray for the families who are in such poverty that they think their only way is to marry off their girls.
- Pray for Compassion projects and local partners in countries where child marriage is prevalent.
- Praise God for the work that has been completed in Haiti since the earthquake in August 2021.

Open Doors:

- Pray for all believers who are persecuted for their faith.
- Pray for our brothers and sisters in Afghanistan, which is now the most dangerous place in the world to be a Christian.
- Pray for the individual members of the Taliban, from the top leaders to the foot soldiers. Pray for God to reveal to them Jesus who is the Way, the Truth & the Light.

Ukraine:

- Pray that leaders on both sides of this conflict will be filled with compassion, wisdom, calm and a desire for peace.
- Pray for all those unable to leave Ukraine. That they are protected from violence and are able to receive essential supplies such as clean water and food.
- Pray that the church in Ukraine, Russia and across the region will be a voice for peace.

(Continued on overleaf)

- Pray for those economically poorer countries who are struggling because of the impact of this conflict on the price of food and fuel.
- Pray that food & fuel prices will stabilise and that provision will be made for countries in a vulnerable position.

United Kingdom:

- Pray for our new Prime Minister.
- Pray that help is available for those struggling with the increased price of energy and food.
- Pray for the Mountsorrel Community Food Project and all who volunteer there.
- Pray for all those starting new schools this month.
- Pray for our Alpha course.

Pray continually (1Thessalonians 5:17)

Sunbeams news

Sunbeams returns on Monday 5th September and will meet every Monday during term-time 9.30-11.30am.

We're looking forward to seeing everyone again after our Summer break and will have all the usual toys, activities, craft and our story and singing time.

A hot drink for the grown-ups is always provided with snacks for the little ones. We do have water or juice for little ones but it is often easier if they bring their own drinks to avoid accidental sharing of cups!

All under 5's are welcome with their grown-up from tiny babies to those about to start school. We enjoy free play with the toys and activities and then join together towards the end of our session for a short story from the bible and sing some songs and nursery rhymes.

If you haven't been before you can just come along any Monday morning or if you'd like more information you can join our Facebook group 'Sunbeams Mountsorrel' or contact Alison at alison.white@mountsorrelchurch.org

Wednesday 20th July 2022 – My climb of Conic Hill

May I begin by thanking you all for your prayerful support as I climbed Conic Hill, Balmaha, Scotland, in order to assist Charcot-Marie-Tooth UK in their research of this disease. To those who sponsored me - on behalf of CMT, I thank you too.

A sponsored walk was not anything I had thought about doing in the past to help further the research of CMT, even though it had been confirmed in 2005 that Graham had endured this disease all of his life. In May this year I was being prompted to do something about it, but kept ignoring the thought. Eventually I tested the waters (so to speak) by contacting CMT. Yes, it may have been 8 years this July since Graham passed away, but they were most encouraging and so the way forward became clear.

Contact was made with long-standing friends, even going back to the 1950's. A Fundraiser Page was set up and the response suddenly became amazing – what an encouragement! Even before the chosen day of 20th July, I had reached my set target of £500. How amazing was that?

(Continued on overleaf)

The morning began with a hearty breakfast. It was thought that Gavin would be driving us around to Balmaha, a distance of 22 miles, but no, Patrick (our friend & host for the week) had other ideas.

He had planned to take us over in his speed boat much to the delight of us all.

Matt, Dawn & Reece were invited to come for the joy ride and would then return back to Culag with him, picking us up early evening .

So began our adventure for the day. Leaving Culag at 11 o'clock we arrived at Balmaha, walking to Weir's Rest from where we started our walk just after 11.30a.m..

Tom Weir was a famous Scottish climber, author, TV presenter, being remembered for his long-running TV series 'Weir's Way'. and lover of the great outdoors.

I have no claims to any of those, with the exception of the latter, hence the reason I wanted to start my climb from there.

Tom died aged 91. Being a much loved and well respected gentleman, there was

(Continued on overleaf)

a public appeal to raise funds in order to erect a statue in his memory and also to re-develop the picnic area surrounding Balmaha Bay, affectionately now known as Weir's Rest. The statue was unveiled by his wife on the 100th anniversary of his birth.

In temperatures of high 20's, the climb of Conic Hill began with Gavin, Nicola & Josh keeping me company along the way.

I was NOT going to be defeated!

Leaving Weir's Rest, we headed off towards the village of Milton of Buchanan, a distance of 1 ½ miles. We picked up a mile long road which eventually became a farm track, where we joined the West Highland Way.

It's a well defined path by-passing the summit of Conic Hill and in parts was quite steep in order to reach the top. Onwards and upwards we went. After half a mile Garadhbhan Forest was before us. Remembering the linear route I had taken last year, if I thought this was hard, it didn't compare with what I knew lay further ahead. This was not to be the hardest forest to go through.

(Continued on overleaf)

Each stage has a beauty of it's own, with views of Loch Lomond below.

Before long, we came into an area of wide open moorland.

Glistening to the south west were the waters of Loch Lomond and rising to the west was the humpback ridge of Conic Hill. To reach the top, we would have to eventually negotiate a steep area of grassland and bracken.

We soon had two Burns to cross surmounted by footbridges. After stopping at Kilanadan Burn for a lunch break, we dropped down into a little wooded gorge and crossed this second bridge over the Burn of Mar.

It was here I was hoping to see some Highland Cattle, which usually graze at this spot, but we were watched by sheep instead, as we continued along the path. Typical, they must have known I was on my way!

The next section was the start of some more hard work. Although the path was clear, there were some sections with built-in steps and it was rough and rocky.

The trail now ascended steeply which was really hard going! Once at the summit, the views are breathtaking, making it all worthwhile.

We were able to see over Loch Lomond together with a string of islands. In the distance, we could see the rounded Luss Hills on the far side of the Loch and up to the towering peak of Ben Lomond.

After four hours, the hard work was not yet over as we had to return to Weir's Rest in Balmaha.

(Continued on overleaf)

I knew that going downhill was not an easy route and before doing so, we had to get back to the main track again. So, down we went, arriving at the plateau which I had reached last year whilst attempting the linear route.

We continued our descent which would prove to be hard but quicker than our journey upwards.

Great caution had to be taken as we negotiated a rough track and even more steps downwards together with some large boulders.

Having reached a stile, the path entered another woodland area continuing our decent, still following the West Highland Way.

We eventually reached a forestry track which would lead us to the Visitor's Centre in Balmaha. It was now only a short distance back to Weir's Rest from where we had started our epic journey of 8.6 miles at a height of 1,184 feet, taking 4 hours to the summit but 5 1/4 hours from start to finish, 20,975 steps and using up 876.5 calories.

Never put off until tomorrow what you can do today!

It is good to remember that all things are possible with God.

As a very good friend told me

"I should have more faith in myself".

(Continued on overleaf)

Now back at the starting point, treat time, a well deserved ice-cream.

At the time of writing, sponsorship monies received amounts to **£945**.

Once again, my sincere thanks for your support – **Veronica**

All Age Holy Communion at St Peter's

The Lord's Prayer

*Our Father in heaven,
hallowed be your name.
Your Kingdom come,
your will be done,
on earth as in heaven.*

*Give us today
our daily bread.
Forgive us our sins,
as we forgive those
who sin against us.
Lead us not into temptation,
but deliver us from evil.
For the kingdom,
the power and the glory
are yours.
Now and for ever. Amen*

In July we thought about The Lord's Prayer and explored what each phrase of it means using objects and actions.

We lit candles to remind us God is holy – 'hallowed be thy name', ate some bread – 'give us this day our daily bread', and passed around holding crosses to remind ourselves of the sacrifice Jesus made for us – 'Forgive us our sins'.

We also enjoyed sharing the peace together – 'as we forgive those who sin against us' and even listened to Nat King Cole's 'Let there be Love' as we considered what God's kingdom and will is – 'Thy Kingdom come, Thy will be done on earth as in heaven'.

Our prayers were a 'lucky dip' – we each took a ball from a bag and prayed quietly or in a small group according to what was written on the ball we picked before joining back together and offering all of our prayers to God.

All are welcome to join us 9.30am on the 4th Sunday of the month at

Youth News!

With all of our young people now back at school or college we are looking at how we can come alongside them and help them to reach their full potential and create opportunities to explore faith. After talking to some of our Youth, both in Church and in the community, we will be starting 2 groups for our young people starting this month.

Youth @ 4 will run alongside our existing Fun @ 4 and have a similar format, but with more challenging activities designed to help them explore Faith and it's implications for daily living. We will have our own time of worship in the Bower Room before joining the Fun@4ers for a meal.

Mid-week Chill will run weekly on a Wednesday afternoon straight after school. This will be a place to relax, talk with friends, play a game or two, as well as somewhere to sit and do school work. We will also have an area set up to discuss the hot topics of the week and relate Christian values to real life situations from around the world.

But these can only happen with your help. We need people to volunteer in a number of different roles if these groups are to succeed and be sustainable.

Mid-Week Chill

- 1 Volunteer who can make Hot Chocolate and supervise snacks (will need Basic Food Hygiene)
- 2 Volunteers who can come alongside the youth and join in with activities and who are willing to pray with and for them if required.
- 1 volunteer who can welcome the Youth in and supervise the entrance and exits.

(Continued on overleaf)

Youth@4

- 1 Volunteer to come alongside the youth, join in with activities and who are willing to pray with and for them if required.
- 1 Volunteer who is able to help the fun@4 team prepare food and refreshments (will need Basic Food Hygiene)

Over the week

A small team who are committed to Pray for the work, those that attend and those who are working with the youth.

All face to face roles will require a DBS and some safeguarding training, but please don't let that put you off. If you feel you can join the "Youth Team" in any of these roles, or would like to find out more please speak to Kat, contact details are on the back page.

At Christ Church & St Peter's Church we believe that prayer is one of the foundations of the Christian Faith. In prayer, Christian believers speak directly to and with God. We believe that God delights to hear our prayers; and that prayer can make a difference.

We have a small group of Church members who have committed to pray for others. Currently if you would like this group to pray for you or a friend you contact Liz Resch and she sends the message out for you.

But now you can also contact the Prayer Chain direct by completing the form on our website at: mountsorrelchurch.org/prayer.

The information on the form will be circulated to the members of the prayer chain for prayer. All requests received this way will be treated with complete confidentiality.
