

UNITED BENEFICE OF MOUNTSORREL

RISK ASSESSMENT FORM

Activity Primary Sports Afternoon with MegaStrikers				Date of Activity 11.08.2025.					
Venue Christ Church outside space				Organiser Alison White					
Hazard	Who is affected	Risk Level	What Controls are in place	Controlled Risk Level			Injury Level		
		L M H		L M H	L M H	L M H			
Bad weather	All	M	If it is not possible to be outside due to bad weather, the activities will be moved indoors and children may need to take turns doing some of the activities dependent on numbers and space.	L			L		
Accidents, e.g. falling over, being hit with a ball	All	M	The grounds will be checked prior to the session, any hazards will be removed, severe uneven ground will be marked so activities are not set up in that space. Trained first aiders will be on site, first aid kit and cold compress are available and parents are present to care for their children should any accidents occur.	M			L		
Stranger danger	Children	M	The gates to the church grounds will be closed, the path to the car park will be taped over/blocked to prevent access. Staff or volunteers will be stationed at the 2 points where people could enter or children could leave the church grounds. Only those booked into the session and staff/volunteers will be allowed to access the site during this event. Parents remain responsible for their own children during the session.	M			L		
Sports equipment and activities	Children	M	All staff and volunteers will follow the risk assessment advice from MegaStrikers regarding the use of equipment and activities. MegaStrikers will lead the session and are a registered company complying with all UK health and safety laws.	L			L		
Food and drink	All	M	Hot drinks will be served in lidded cups and will not be allowed near the sports activities. Allergen advice for snacks, drinks, ice pops will be available to parents.	L			L		
Behaviour	All	M	All children will be expected to listen, use equipment appropriately and follow safety instructions, parents are able to join in with children who need help to do this. Staff and volunteers are also available to help. Where children engage in risky behaviour, it will be explained to them why they can't do it and they will be warned that they will not be able to use the equipment if they continue, parents will be advised if it is felt children are not listening and if risky behaviour continues children will need to sit out for a period of time.	L			M
